Bavaria Gulf launches Sandoval first phase

DUBAI — Following its entry into Dubai's high-potential real-estate mid-segment with the launch of Sandoval Townhouses, German boutique developer Bavaria Gulf yesterday announced the launch of the first Phase of 'Sandoval Apartments' at Jumeirah Village. The project will comprise a total of 165 apartments.

Like the Townhouses, which were completely sold out, each individual apartment will be certified by TUEV.

Spread over seven G+4 buildings, Sandoval Apartments will include 57 studio apartments, 81 one bedroom apartments, 17 two bedroom apartments and 10 special duplex apartments.
